FAMILY AVOIDS SERIOUS SICKNESS By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.---"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

NOTICE TO GUARANTORS

About Clemson-Auburn Game Has Been Issued.

The following notice to guarantors of the 1915 football game between Clemson college and Auburn has been issued by Mr. H. B. Fitzgerald, secretary of the chamber of commerce:

Recently, as you will recall, a game of baseball was played in Anderson between these teams, under a guarantee of \$100 for the gate receipts. The actual receipts, less expenses, was \$67.20, making a shortage of \$32.80, which has been paid to the team management.

It is proposed to reimburse the parties advancing this \$32.80 from the surplus fund realized from the Clemson-Auburn foot ball game, rather than to raise it by asking the citizens for a donation.

Interested parties will therefore accept this as notice that unless there is some objection, this will be done at a meeting to be held in the chamber of commerce rooms on Tuesday afternoon at five o'clock. Any interested person who objects to the appropriation of \$32.80 of this fund as proposed, will please be present at this meeting Tuesday afternoon and make same known.

A Symbol of Health

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.

For the Hot Summer days try our Icy Hot Bottle. Owl Drug Co.
